

## **Preface**

We would like to welcome you to the Regular Papers proceedings of the International Conference on Security-enriched Urban Computing and Smart Grid (SUComS 2013), Intelligent Urban Computing (IUrc 2013), Smart Phone, Device and Applications (SPDA 2013), Advanced Information and Computer Technology (AICT 2013) and Human Computer Interaction (ICHCI 2013) that was held on August 14 - 17, 2013 at Best Western Hotel Portos Warsawa, Poland. Also, The International Conference on Advanced Information Technology and Sensor Application (AITS 2013 ) that was held August 19 - 20, 2013 at Hangzhou, China.

These will provide a chance for academic and industry professionals to discuss recent progress in the related areas. We expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject. We would like to acknowledge the great effort of all the Chairs and members of the Editorial Committee.

We would like to express our gratitude to all of the authors of submitted papers and to all attendees, for their contributions and participation. We believe in the need for continuing this undertaking in the future.
