## Academic Opportunities

**3-2 Programs** – Business, Computer Science, Engineering, Neuroscience, Physics, Physics and Astronomy, and Public Health

**Certificate Programs** – Actuarial Studies, Asian Studies, Biophysics, Biotechnology, Leadership, Literary Translation Studies, Mathematical Modeling in Political Science and Economics, Medphysics, Polish and Central European Studies, and Stage Management

**Combined-Admission Programs (CAPs)** – Selective programs for exceptional undergraduates in medicine (REMS), engineering (GEAR), and education (GRADE) that guarantee admission to professional or graduate school upon completion of the bachelor's degree.

**Dual Degree Programs** – Selective programs for exceptional undergraduates in music (DDE) to gain admission to the College and Eastman School of Music to pursue a BS or BA+BM, and in nursing (DDN) to gain admission to both the College and School of Nursing to pursue a BS or BA+BSN.

**Kauffman Entrepreneurial Year** – The KEY program offers selected individuals a fifth year at Rochester to pursue internships, develop a business plan, or study entrepreneurial activity.

**Study Abroad** – More than 70 different Rochester-sponsored opportunities are available in over 35 countries.

**Take Five Scholars Program** – Students who wish to pursue broader academic interests can apply for this innovative Rochester program, which allows students to stay for a fifth year of study—tuition-free.

**Undergraduate Research** – Opportunities and financing are extensive at entrance, during the academic years, and in summers. All undergraduates have opportunities to do research on their own, in teams, or as part of faculty-directed projects. Students may submit their work to be published in our *Journal of Undergraduate Research*.

## Financial Aid

We are committed to meeting the full demonstrated need of all students who earn admission to the College. Financial need can be a contributing factor in our admissions decisions about most international applicants and a small percentage of our US applicants. The Financial Aid Office is available to help you and your family afford the investment of a Rochester education through a combination of different aid programs tailored to meet your calculated need.
