

Office of the Vice Chancellor for Student Affairs

**SCHOLARLY CONTRIBUTIONS,
PROFESSIONAL AWARDS,
AND LEADERSHIP ROLES**

“Engaging Students for Success”

2010–2013

MESSAGE FROM THE VICE CHANCELLOR

I salute my Student Affairs colleagues who have engaged in scholarly activity and served their professions, both of which are important and revered aspects of an academic career. In addition to the demanding responsibilities of serving our students and the campus community, Student Affairs educators have found ways to engage in the UIC community of scholars and offer opportunities for peers, collaborators, and aspiring practitioners to peruse our scholarly work. Through this, we expand knowledge and inform the practice of our professions.

A listing of works from Student Affairs educators who are making significant scholarly and professional contributions is contained in this communiqué. Much of the scholarly work has been peer reviewed and published in professional journals. Other works have been presented and enhanced knowledge at local, national, and international professional conferences and meetings. The expansive spectrum of service continues to inform other educators, enrich the profession, increase the visibility of UIC, and promote the mission and goals of the Office of the Vice Chancellor for Student Affairs. I thank my colleagues for their contributions. Furthermore, I look forward to more accomplishments in the upcoming academic years.

Barbara Henley
Vice Chancellor for Student Affairs
