CONFERENCE/TRAVEL

\$3,000 per resident over core training and an additional \$1,000 per resident in fourth year is provided by the program. Funding is pro-rated. Residents are encouraged to use funding for CME throughout training. However, if a resident would like to accumulate funding in core years for a major conference, justification must be provided to the program director for approval. There is no carryover of unused funds to fourth year. Up to \$1,000 of conference funding over residency training can be used for applicable courses.

Additional funding up to \$1,000 is available once over residency training upon approval by the program director for residents presenting research at conferences to cover cost of poster and travel expenses.

FACULTY DEVELOPMENT

Faculty Development courses are an expectation of the program. Program covers up to \$200 for FD course(s) in core residency years and an additional \$200 for FD course(s) in fourth year of training.
