

Congratulations 2007 and 2008 CRS Awardees!

The Controlled Release Society's awards ceremonies held during the 35th CRS Annual Meeting & Exposition in New York City were special times that honored and recognized deserving scientists from around the globe. CRS is grateful to the many sponsors who provided their time and financial support to promote the talented scientists and innovative science. Congratulations to all! ■

Kenneth Ofokansi receives the 2008 CRS Outstanding Consumer & Diversified Products Paper Award, co-sponsored by Givaudan, from Chris Soper of Givaudan.

Naoki Okada receives the Jorge Heller Journal of Controlled Release Outstanding Paper Award for 2007, co-sponsored by Elsevier, from Jaap van Harten of Elsevier; Jorge Heller, the award's namesake; and CRS President Susan Cady.

Esha Desai, 2008 CRS Highlights of Student Posters Grand Prize winner. The award is co-sponsored by Colorcon and Genencor International, Inc.

Martyn Davies receives the 2008 CRS Distinguished Service Award from CRS President Susan Cady.

On behalf of Felix Theeuwes, John Gibson accepts the 2008 CRS Industrial Award, co-sponsored by Eurand, from CRS President Susan Cady and Erin O'Brien of Eurand.
