

Amundsen's North-West Passage Expedition (1903-1906)

- * Successful expedition used 70 ft., shallow draft herring fishing ship, *Gjoa*.
Gjoa is now with Fram in Oslo Museum.
- * *Gjoa* crew of 7 determined position of the Magnetic North Pole.
- * During vicious storm, crew acted unafraid to calm sled dogs. Iced in for 2yrs.
- * Amundsen lived off land and admired the Netsilik Inuit as Arctic mentors.
- * Expedition was source of national pride as Norway had gained independence from Sweden during the cruise. Amundsen and crew were national heroes.
