

Preface

We would like to welcome you to the Regular Papers proceedings of the 6th International Conference on Advanced Science and Technology (AST 2014) and the 3rd International Conference on Computer and Applications (CCA 2014), 3rd International Conference on Advanced Signal Processing (ASP 2014) and 2nd International Conference on Transportation (TRANSPORTATION 2014) that was held on Hai Tian Grand Theatre Hotel, Qingdao, China.

These will provide a chance for academic and industry professionals to discuss recent progress in the related areas. We expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject. We would like to acknowledge the great effort of all the Chairs and members of the Editorial Committee.

We would like to express our gratitude to all of the authors of submitted papers and to all attendees, for their contributions and participation. We believe in the need for continuing this undertaking in the future.
